NPIC/TDS-208/67
6 November 1967

MEMORANDUM FOR: Chief, Support Staff, NPIC
ATTENTION: Chief, Logistics Branch, SS
SUBJECT: Request for Permission to Cannibalize Equipment

25X1 1. An in-house project has been initiated to modify an existing
25X1 [] Light Table to improve its performance characteristics.
25X1 Features developed by [] under [] and []
under [] and incorporated into prototype light tables produced
under these contracts will be utilized to modify the [] table.

25X1

25X1

25X1 2. Because the prototype light tables will find no further use at
25X1 NPIC and to utilize their parts will be of no cost to the Center, the
25X1 Development Staff requests permission to cannibalize the two light tables.
Specifically, the light tables are the [] developed under []
[] and the [] developed under [] The
[] light table has been accepted and evaluated and the []
[] table was evaluated and found to be contractually unacceptable;
however, because of a lack of additional funds for this cost type develop-
ment contract, [] is in the process of being terminated.
